MARINE SCIENCE CENTER PARKING MAP

Please inform drivers to allow extra time journey. It's 5 miles from Dunlawton Bridge S.on A1A, to Ponce Inlet, 35mph, after stop sign changes to 25mph and on Lighthouse Dr and around onto Peninsular is 10mph.

<u>If doing a morning program at the MSC:</u>

Please have parents in cars park on Lighthouse Dr. Leave lunches in the car. If your group is coming in a bus park in the boat trailer parking lot next to the Lighthouse. After the morning program at the MSC, the kids can get their lunches, from the cars, or bus and eat in the park next to the lighthouse. <u>If doing an Eco walk:</u> After lunch our educator/s will come over and meet you to do the eco walk over to the beach. (See red arrows)

<u>If doing a morning seine netting and estuary exploration program in LPP:</u> follow parking instructions above. Then get your lunches and change of clothes out of vehicles/bus and our educators will walk the group over to the estuary. Your group will change and eat lunch in the Pavilion and then walk back over to the MSC for the afternoon program. (See Yellow Arrows).
