

2023 Marine Science Center Summer Camps

Get ready for an exciting summer of exploration and adventure at the Marine Science Center!

Campers will experience seine netting, exploring the estuary and beach, and learning about Florida's unique ecosystems through games and crafts. They will also meet live animals and have hands-on at the touch tanks. Reptile and raptor encounters are other experiences the campers will enjoy. Older age groups will participate in owl pellet and squid dissection labs, fishing activities, and canoeing to Sand Dollar Island. Summer Camp activities will take place on the Marine Science Center property and within walking distance around the inlet.

Please note that all camp schedules are from 9 am to 4 pm on all dates listed below.

WEEK	DATES	CAMP	AGES	COST
Week 1	June 7 - 9	Three Day Camp	5 to 12	\$120
Week 2	June 12 - 16	Five Day Camp	9 to 14	\$200
